Hoogeveen Chiropractic Wellness Center appreciates the confidence you have shown in choosing us to provide for your health care needs. The service you have elected to participate in implies a financial responsibility on your part. The responsibility obligates you to ensure payment in full of our fees. As a courtesy and if applicable, we will verify your insurance coverage to the best of our ability and bill your insurance carrier on your behalf. However, you are ultimately responsible for payment of your bill.

You are responsible for payment of any deductible and co-payment/co-insurance as determined by your contract with your insurance carrier. We expect these payments at the time of service. If other arrangements need to be made, please advise our front desk staff. Many insurance companies have additional stipulations that may affect your coverage. You are responsible for any amounts not covered by your insurance. If your insurance carrier denies any part of your claim because it is not covered, you could be responsible for that amount.

If your insurance company is out-of-network, you have the right to receive a Good Faith Estimate (GFE) for the expected cost of your visits here at our center. If you receive a bill from us for a date of service that is more than $400 than the GFE listed below, you can dispute this bill at https://www.cms.gov/nosurprises.

Our normal and customary fees* are as follows:
